USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR ROSEBUD ECONOMIC DEVELOPMENT CORPORATION

ROSEBUD, TEXAS, June 9, 2006-- USDA Rural Development State Director, Bryan Daniel, today announced Rosebud Economic Development Corporation has received a \$100,000 Rural Business Enterprise Grant (RBEG) to establish a revolving loan fund to assist approximately six new businesses and two business expansions.

“The injection of funds into the area will be used to create between 25 to 30 new jobs for Rosebud and the surrounding rural area,” said Daniel. “I am very pleased that Texas USDA Rural Development is able to assist the Rosebud Economic Development Corporation.”

In Fiscal Year 2005, Texas USDA Rural Development obligated over \$1.3 million in Rural Business Enterprise Grants. Potential businesses in rural communities interested in the RBEG Program must employ 50 or fewer new employees and have less than \$1 million in gross annual revenues. Public bodies and not-for-profit entities including federally recognized Indian Tribes located in rural areas or in communities below 50,000 in population are eligible for the RBEG Program. Priority is given to applicants from communities of 25,000 or less.

USDA Rural Development strives to see that rural citizens can participate fully in the global economy by providing technical assistance, funding, and other programs that help rural Americans build strong economies to improve their quality of life.
